#### 12.2 Sanitizer

800ml boiled cooled down water  
200 ml bleach  
Spray bottle

### **12.3 Sanitizers with alcohol**

Rather wash your hands with soap when working with fire or gas as sanitizers with alcohol are highly flammable.

### **13. Junie Year End**

The Financial Year End of the Society is on 30 June. Members are requested to kindly pay their outstanding debtors and send in their claims before then to ensure that the year ends financially healthy and in time for the auditors to commence with the statements to be ready for the AGM.

### **4. May Per capita forms**

Stud Book will circulate the per capita forms in May. The Society will also invoice on these figures. Members must check their animal count and correct it. Kindly do not just cancel, for data analysis purposes. Rather write the reason e.g. death, sold, culled, etc.

### **15. Message from our Tuli President**

Dear Tuli breeder

In these unsure and unknown times I want to bring you a message of hope. The realities in front of is and around us are not favourable. The government also do not readily assist the commercial farmer in these times of crises.

Where will we receive assistance from???!!- from the King of all kings and the President of all presidents! I believe that this lockdown time did make you, as for me, aware again of where our assistance and comfort come from. Our God is not coming soon, He is on His way! The government can do what it wants, if the Lord is on your side, you can and NOTHING will get you down!

Kindly read again Psalm 91. The Lord promises here and He is not a God that preaches lies! Hold on to it and ensure that He knows you and your loved ones by name. Also read 1 Peter 1:3-9, then you will understand why we are being tested now. With the Lord on our side, we WILL get through this!

May the Lord bless and protect you, your loved ones and your employees for whom you are responsible. May the Lord give you wisdom and appear to your rescue!

Regards  
Ben Raath
