Why Tuli Cattle?

The Tuli is indigenous to Southern Africa with hardiness and adaptability bred into it through a process of natural selection over a period of at least two thousand years.

Tuli Cattle - The Intelligent Choice

Towards the end of 1976 the first Tulis, a group of thirty pregnant females and three bulls, were imported into South Africa from the T.B.S in Zimbabwe. The importers were the Bornmann family and a relation by marriage, Dr Fanie Kellerman. Dr Kellerman, a veterinarian, had at one stage worked in
