Welkom WELCOME

TO OUR FIRST PRODUCTION SALE/ BY ONS EERSTE PRODUKSIEVEILING

Dear Tuli breeders, livestock enthusiasts, friends and families,
It is with great pride and gratitude that we present our very first Malu Kraal & Kuier production sale catalogue. Year after year, the Tuli breed continues to impress us with its excellent maternal characteristics, natural adaptability, strong growth rates and ability to thrive under various conditions with relatively low input requirements. These qualities make the Tuli a valuable investment for the future of our herds.

Together with our six guest sellers, we have carefully selected a quality offering of stud Tuli bulls, commercial cows pregnant by Tuli bulls and Tuli-cross long weaners.

We invite you to explore the catalogue, take advantage of the opportunities on offer and join us for a wonderful day of livestock, good company, Malu Pork and Malu Gold Craft beer.

Thank you for being part of this special milestone. We look forward to sharing the day with you!

Beste Tuli-telers, veeboere, vriende en familie,
Dit is met groot trots en dankbaarheid dat ons ons heel eerste Malu Kraal & Kuier-produksieveiling katalogus aan julle bekendstel. Jaar na jaar beïndruk die Tuli-ras ons met sy uitstekende moedereienskappe, natuurlike aanpasbaarheid, goeie groeivermoë en vermoë om onder uiteenlopende toestande met relatief lae insetkoste te presteer. Hierdie eienskappe maak die Tuli 'n waardevolle belegging vir die toekoms van ons kuddes.

Saam met ons ses gasverkopers het ons sorgvuldig 'n gehalte-aanbod van stoet-Tuli-bulle, Boerkoeie dragtig van Tuli-bulle en Tuli-kruis long weaners.

Ons nooi julle uit om deur die katalogus te blaai, die geleenthede wat aangebied word te benut en saam met ons 'n heerlike dag van veiling, kuier, Malu-varkvleis en Malu Gold Craft bier te geniet.

Dankie dat julle deel is van hierdie besondere mylpaal. Ons sien daarna uit om die dag saam met julle te deel!

Kind Regards/ Vriendelike groete
Helena Malherbe & the Malu Tuli team!
